

Graduate Research Assistant opportunities

Position Name: Graduate Research Assistant

Start Date: January 10, 2020

End Date: April 30, 2020

Hours: 8-10 hours per week (Part-Time)

Job Details

We are looking for a graduate research assistant to join our research team. Our interdisciplinary research focuses on designing, developing and evaluating assisted/accommodating technology to support inclusion in the classroom and in health professional placements education for students who identify with disabilities. Position will start in January for 8-10 hours a week. Candidate should be strong in organization and writing skills; comfortable with technology and comfortable working with multidisciplinary team. Priority would be given to graduate students from disability studies.
